Hearing specialist in Yorkshire

A leading Yorkshire based hearing specialist have announced they can provide local patients will expert audiologist solutions.

(Newswire.net -- February 13, 2019) -- Yorkshire, UK -- A leading Yorkshire based hearing specialist have announced they can provide local patients will expert audiologist solutions. The team has received over 200 5-star reviews and are known for their excellent hearing aid and ear wax removal services.

2020 Hearing, the Leeds based hearing specialist and audiologists, have announced they can provide local patients with expert patient centred hearing healthcare. The practice is run by Chris Scire, a renowned audiologist, and they have now received over 200 5-star Google reviews as a testament to their customer service.

More information can be found at: https://www.2020hearing.co.uk.

The site explains that Chris Scire is a member of the British Society of Hearing Aid Audiologists, and has over 16 years' experience in the field. He was selected as a finalist in the Audiologist of the Year 2012 competition.

For many people, having a hearing problem is a deeply personal issue and it's for this reason that getting professional, patient-centred treatment is so important.

Patients getting in touch with 2020 Hearing will get the highest quality service carried out in a friendly, personal consultative style. The practice offers expert treatment and hearing solutions for Yorkshire residents, but patients travel from all over the UK to get help from the specialist team.

One of the things that separates Chris Scire and the team at 2020 Hearing from other audio specialists in the area is their commitment to customer and patient satisfaction. It's this that underscores all their services, and is the reason for their glowing five-star reviews.

The team are known for their hearing aid services, and microsuction ear wax removal services. These include invisible hearing aid installation, with plans to suit the budget of any patient.

In addition to this, they offer hearing tests, ear checks and consultations, hearing aid re-programming, hearing aid repairs, noise protection services and a variety of other hearing solutions.

2020 Hearing states: "We can supply and fit hearing aids, offering a solution to suit every budget. We want you to enjoy better hearing and improve your quality of life. Contact us today to book a hearing test appointment or to find out more information."
